

Let's send our "Rosary Bouquet" to Fatima

Our Bishop Shirahama, who will visit Fatima in October to celebrate the huge Mass for World Peace as invited by Bishop of Fatima, Antonio Marto, is willing to bring "Rosary Bouquet" to Fatima as a sign of prayer from Hiroshima Diocese.

The prayer intention is for World Peace and for the conversion of sinners.

When you finish five decades, please paint one petal of flower.

If you complete all, you are sending 500 decades, but you can try as many as possible till the end of September.

Please submit the bouquet to the office of Noborimachi Church by the end of September.
